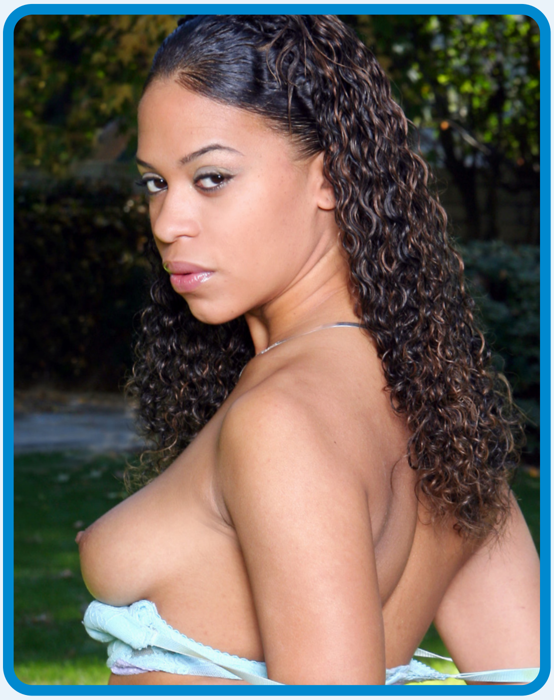
TRASHY TRINA



"Phewwww!"

Sally's face twisted with disgust when I tried to give her a hug. She rejected my affections and backed away, creating as much space between us as our tiny kitchenette would allow.

"Somebody," she said, fanning the air with her hand, "smells like garbage . . ."

"I wonder why?" I asked rhetorically.

We both knew the answer to that one. A man tends to smell like garbage when he spends his workday on the back of a garbage truck. You'd think my girlfriend would have been more understanding. But no. Sally just couldn't get used to the idea of having a sanitation worker for a boyfriend.

Sanitation worker?

Yeah, right!

That's nothing more than a fancy title for garbage man. Or, if you prefer, trash man.

Not that I was ashamed of my job. We all have to eat, make rent, pay the bills. Still, I was frustrated with the toll the job had taken on my relationship. I had been working for the sanitation department all of three weeks. Three interminably long, sexless weeks.

I had yet to discuss the problem with Sally, hoping against hope that she would come around sooner rather than later. Tonight's rejection prompted me to confront her about the matter. Enough was enough.

"All I want is one lousy hug," I told her.

"Then take a shower," she replied.

I knew from experience that this wouldn't help; last night I had taken the longest shower of my life, and she had still refused to sleep with me. I reminded her of this, all but demanding that we sit down and hash things out like mature adults.

"Okay," Sally said. "If you think it will help."

We sat across from one another at our postage stamp-sized breakfast table. I got right to the point.

"What's wrong, Sally? We haven't had sex in three weeks. Talk to me, baby."

It took some priming on my part, but she finally came around. The truth hurt. Big time. Turns out she was ashamed of having a garbage man for a boyfriend, so ashamed that she had been lying to her girlfriends about what I did for a living.

"A bartender," she confessed. "That's what I've been telling them . . ."

"I can't believe this!"

Sex, Sally explained, was out of the question. The mere sight of me, let alone my touch, made her think of the slimiest, nastiest trash imaginable.

"It's gross," she said about my vocation. "Every time we get in bed, I start thinking about you rooting around in garbage. It's a major turnoff."

"I wear gloves," I said lamely. "And most of the trash is bagged."

Sally had nothing more to say. I felt terrible. Her words had cut deep. My girlfriend had all but admitted that I wasn't good enough for her. An embarrassment. That's what I was in her eyes. It didn't matter that I worked my ass off at a back-breaking job to help support us. She couldn't have cared less about that.

I sighed heavily, ran a hand through my hair. I needed a drink. Hell, I needed five drinks! I got up from the table and left Sally sitting there. I didn't even bother to change out of my foul-smelling work clothes before grabbing my keys and slamming the door behind me.

Ray wasn't just a coworker. He was a good friend. Most days we rode on the back of the same truck. The typical setup was two men to work the hopper plus the driver. Ray, a wiry black guy who slinged weed on the side, was a high school dropout. He was also a fine garbage man, far better than I could ever hope to be.

I texted Ray as soon as I left my apartment, asking him if I could grab some beer and swing by. He was all for it. We split a six-pack of tallboys and smoked some dope. I don't know about Ray, but I got higher than giraffe pussy, so high that my problems with Sally seemed unimportant.

Another thing I got was horny.

Real horny.

Like I said, it had been three weeks since I had gotten a piece of ass.

Ray came to my rescue, telling me about a chick—a white chick—he banged regularly. "We could probably fuck her tonight," he added.

"We?"

"You cool with that?"

"Sure."

He whipped out his phone and showed me a few pics of this down-to-fuck chick of his. I did a double-take, hardly believing my eyes.

"That's Trina!" I remarked loudly.

Ray grinned. "The one and only."

Trina was a driver for the sanitation department. Ray and I worked with her all the time. In fact, we had worked with her earlier that day.

I looked at him disbelievingly. "You're shitting me?"

"No, man. I tap that all the time. All the hoppers do. Trina's a total ho."

Ray started to send her a text. I told him to wait, reminding him that I was still wearing my grubby work clothes which probably wouldn't go over too well with Trina.

Ray regarded me like I was crazy. "Are you kidding? She loves that shit. Why do you think she drives a garbage truck? It's a real turn on for her. The dirtier, the better . . ."

"Wow."

"She digs the stink."

"Unreal."

"Matter of fact, I wish I hadn't taken a shower when I got home today. She might not want to fuck me."

"Well," I told him, "you could always go out to the dumpster behind your apartment and roll around in the garbage."

Ray looked at me with a straight face. "It wouldn't be the first time."

Trina arrived soon enough. She may have desired filthy men, but as for herself—well, she was anything but. I had never seen her outside of work. Now she was all dolled up and looking fantastic. A lowcut, short black party dress accentuated her fine features. Big tits. Tight apple booty. Shapely legs. She had pinned up her blonde hair, exposing the nape of her neck.

"Thanks for coming out," I told her. "I know you must be tired. It was a long day . . ."

Trina dismissed my comment. "You two are the ones who did all the work. I just sat on my ass and drove the truck."

She sat on the sofa between Ray and I and we all shared a fat spliff. I wanted to offer her a beer but there were none left, and I didn't feel like driving to the corner store. Her nice figure told me that she didn't drink much, anyway. A woman who took care of herself. I liked that, liked it a whole hell of a lot.

"Somebody," she said after we had finished the joint, "smells like garbage . . ."

"That would be me," I replied proudly.

"I concur," Ray added. Then he looked at Trina and said. "You want me to roll around in the trash?"

"Do you mind?"

"Not at all."

Ray got up and left the apartment. No sooner had he closed the door than Trina smiled and placed her hand on my crotch. The contact gave me an instant hard-on. She knelt on the floor, unzipped my dirty workpants, and freed my stiff cock.

"Nice and big," Trina remarked, licking her lips before taking me in her mouth.

She bobbed her head. Her moist lips glided up and down my shaft as she polished me with deliberate slowness. I felt damn fine, felt better than I had in a long time. Cold beer. Good weed. Stellar blowjob. What more could a guy ask for?

It wasn't long before Trina upped the pace, sucking me faster and with a greater sense of urgency. Her head pumping frenetically, she moaned around my turgid member. It had been eons since Sally had given me head. Even then, the head had been lackluster. My girlfriend could learn a lot from this driver of a garbage truck.

Having primed me expertly, Trina unshouldered her spaghetti straps. A spectacular pair of jugs popped free. Her tits were big and bouncy, her nipples brown and stiff. She lifted the hem of her dress and shimmied out of a pair of black lace panties.

Next thing I knew she was riding me reverse-cowgirl style. I reached around with both hands and cupped her magnificent mounds, squeezing and kneading and twisting as she bounced in my lap. She had a tight pussy. Her pink cunt lips, hot and clenching, slid up and down my rock-hard dick.

Trina lifted her beautiful butt, brought it down with authority, lifted it, brought it down, again and again and again. All the while her snatch sheathed my cock in its snug embrace. I was seconds away from popping like a champagne cork when she stopped moving her hips and regarded me over her shoulder.

“Should we check on Ray?” she asked me.

I had forgotten all about the guy. He should have been back by now. The dumpster wasn’t that far away.

“Maybe,” I told her.

“This isn’t the best neighborhood, you know. He’s been mugged before.”

We straightened our clothes and took the stairs down to the parking lot. It was awfully dark. The apartment manager had told me one day at work, Ray refused to install new streetlights after vandals had busted the old ones. I approached the dumpster warily, afraid of we’ll might find.

Thankfully, we didn’t come upon a black and blue Ray. We didn’t come upon Ray at all. t“Where did he go?” I asked Trina.

She smiled knowingly. “I have a pretty good idea.”

“You do?”

“Yeah,” she said. “Don’t worry about him. He’s fine. Trust me.”

“If you say so.”

Her knowing smile turned naughty. “Where were we?”

“On Ray’s couch,” I told her. “You were riding me and I was about to blow my wad . . .”

The dumpster might have been empty, but it still smelled terrible. Trina took a big whiff. Its aphrodisiacal effect was immediate. She turned her back to me, pressing one hand against the dumpster while using the other to lift the hem of her dress. It was dark, sure. But enough of the moon shone so that I could see that spectacular ass of hers.

Trina didn’t say a word. She didn’t have to. I moved behind her, dropped my dirty drawers, and slid her panties to the side. Then I plunged my prick inside her pussy. I fucked her against the side of the dumpster, fucked her with a barrage of jerky jabs which made her moan.

Moments later, I pulled out and proffered my pecker. Trina crouched before me; she unshouldered her spaghetti straps for the second time that night. Her glorious tits glowed in the moonlight. I stood over her and stroked myself to completion, dumping a sizable load of cum on her chest.

We had just returned to his apartment when Ray showed up. He was out of breath and smelled like garbage. His soiled clothes confirmed the story he told us. Finding the apartment dumpster empty, he had hightailed it down the street to the bin behind his favorite burger joint.

“I climbed all the way inside,” he said, “What do you think, Trina?”

“I think you look and smell like shit,” she told him. “Hope you’re not too tired to fuck me.”

“Never,” Ray told her.

And he wasn’t. But I was. Trina had worn me out. I went home to find Sally sound asleep. She had gone to the drugstore and bought a cheap bottle of cologne. The little box was on the kitchenette table beside a note telling me to use the whole bottle. Smartass. She thought she was real funny.

The following day at work was a good one. Trina drove the truck. Ray and I rode on the back. We all laughed our asses off when I tossed the cologne into the hopper and crushed it to smithereens.

ESMERELDA

CLUB VOYEUR

It started out as a birthday present for me. I wanted a threesome, and Dave was game for it until I told him that I wanted to bring in another man. He wasn't interested in participating, but he still wanted me to be happy.

My boyfriend knows that whenever I ask to visit a specific club downtown, it's 'cause I want to bring home a man to fuck in front of him. I'm Esmerelda and a year ago I couldn't imagine how much fun I'd be having now. It started out as a birthday present for me. I wanted a threesome, and Dave was game for it until I told him that I wanted to bring in another man. He wasn't interested in participating, but he still wanted me to be happy. So he agreed to my request as long as he didn't have to touch a dick that wasn't his. I got all dressed up and we headed out to the club to find a man that suited my interests.

Felix was tall and broad-shouldered, filling out his shirt with pure muscle underneath tan skin. He bought me a drink, and didn't seem phased by my asking for him to come back to my place with Dave. Originally, I was meant to divide my attention between the two of them, but Felix didn't take his hands off of me long enough for me to even remember my boyfriend in the room. He made quick work of stripping me down to my underwear, ravishing me once those came off, too. Felix's calloused hands ran down my sides, feeling me up. I knew I made the right decision with him once his jeans came off and revealed a monster of a thing.

Dave tried clearing his throat to get my attention, but I was already moaning and drowned it out. It wasn't until I was bent over on the bed, waiting for Felix's lips to trail down and find my pussy that I saw my boyfriend again. He was sitting across from me in a chair, holding his rock hard cock and stroking it. When Felix's tongue found my clit and I let out another filthy moan, Dave sped up.

I reached out to him, offering my hand to jack him off while Felix ate me out. Dave's precum leaked down my fingers, helping me stroke him with ease. I tried to keep a consistent pace as I always did with any good handjob, but Felix was something else. It was too distracting for me to be

ESMERELDA

able to do my best. Both of my hands ended up gripping the bed as I shuddered and came.

That was only the beginning. As soon as I'd caught my breath, I felt Felix's cock press against my wet slit. I knew he ate me out to prepare me for it, but I still strained to take the entirety of his cock. Felix slid in nice and slow. My walls stretched around his impressive girth. He paused once he was in all the way, and I did my best to relax my tight muscles.

Suddenly, Dave's hand found its way above mine. I looked up into his worried eyes, and reassured him that I was alright. He asked me if it felt good, and I nodded. Dave's hand returned to stroking his own cock as he leaned back against the chair and stared at my expression. I moaned at Felix's first thrust, and encouraged him to keep going. For a while at the start, he kept the pace slow. When I got used to it, I started craving more. I begged him to go faster.

That was when I noticed the shift in Dave's movements as well, he seemed to be following the rhythm of Felix's cock sliding in and out of me. Not only that, I saw Dave's cock twitch and throb in his hand. I couldn't believe he was enjoying it so much. It drove up my own pleasure to be watched and appreciated by him. My moans rang louder than they ever had before. I felt heat travel down my skin and ignite a type of enthusiasm I never realized I possessed. My ass moved back to meet Felix's thrusts, eager to feel him balls deep inside me again.

Suddenly, I was flipped onto my back and my legs were brought up to rest on Felix's shoulders. The new angle made it so Felix's cock continuously pounded a single sweet spot within me. "Don't stop! Don't stop!" Was all I could say. On repeat until I felt my legs shake with my second orgasm of the night. I ended up having several more from Felix's thrusts alone.

Near the end of the night, I could tell Dave was nearing the edge, too. He'd done well by holding back, but it was about time his cum joined Felix's on my body. I was too fucked out to help him much. All I had the energy for was opening my mouth and sticking my tongue out to catch the couple drops. The rest went on my tits.

Ever since then, I've invited many more men similar to Felix into our bed. Each with impressive cocks, and every time they fucked me, Dave was there to hold my hand and cum on me at the end. I'm hoping that for my next birthday, my boyfriend will get to jack off and watch me fuck more than one man at a time.
